Did you use the services in the ARC for this particular class?

No	3	27%
Not Applicable	1	9%
Yes	7	64%
Total # of Responses		11

Question Category: 11 Comments

Was there a particular area that you wished the instructor would have spent more time discussing or explaining?

- Having more exciting labs
- I wish he would have helped answer more questions and spend more time making sure what we found was accurate.
- Lecture due to the fast pace so much could not be covered before test taking.
- N/a
- na
- no
- No, everything was taken care of.
- none

 For this particular course, which teaching methods were most effective for you personally?

- all
- Everything
- Hands on
- lab and teamwork assignments
- no
- None
- reading the book and talking my own notes
- The labs because they were hands on activities.
- the teacher helping
- Working with the microscopes and slides really helped me learn what i was looking at.

 What was your most favorite part and/or project of this class?

- all
- All of the labs.
- I enjoyed being in lab.
- I loved the hands on learning.
- Lab
- na
- no
- None
- np
- The experiments.

Question Category: 11 Comments

What was your least favorite part and/or project of this class?

- Having to do lab manuals.
- I hated being on our own. Yes it helps that we teach each other and learn together, but I am sure that we might have confused each other a lot and that we learned some things wrong.
- Just having to travel all the way to Borger for labs, and being there for 9 hours.
- lecture
- na
- no
- None
- The lab manual.
- went by to fast

Do you have additional comments regarding this class and/or instructor?

- He did well for his first summer teaching A&P 1. I am sure he will be more prepared next time around.
- He will be a great teacher after a few more semesters and i feel like he needs to be more confident in himself
- N/a
- no
- none
- test taking was awkward due to the the instructors importance of cheating preventions.
- The lab part of this class was fun i enjoyed and learned alot .
- This class is tough but the instructor does anything he can to help.

Please share your comments about other services and/or departments on campus or about Frank Phillips College in general.

- Everyone in FPC is helpful and positive.
- It would be more helpful if Perryton were able to have labs instead of us having to travel all the way to Borger.
- N/a
- na
- no
- no comment
- None
- Several services have been very helpful
- The lab room was very hot and there was a few things not available to us that the lab manual called for.
- very good
