Question Category: 11 Comments

Was there a particular area that you wished the instructor would have spent more time discussing or explaining?

- About the skeletal system
- Class alone was just hard. In general the micro class makes it more difficult to obtain the material.
- He did an amazing job at explaining everything indepth
- Lecture was given but there was so much that could not be covered.
- lectures in general
- N/a
- na
- no
- no i had no problems
- No, everything was taken care of.
- none
- the instructor could of spent more on bones, muscles, and the nerves system.
- the nervous system

For this particular course, which teaching methods were most effective for you personally?

- all
- all of them
- Critical thinking.
- Everything in lab
- lecture
- na
- no
- None
- Reading, studying, using computer applications, and taking notes on my own time helped me alot in mastering this course.
- Taking notes.
- the explanations he gave us
- the lecture part
- the notes
- The way the instructor taught lecture was an advantage to all the students involved.
- This was a very difficult class, lab seemed the most effective with teamwork activities.
- when the instructor gave me an oral quiz and I made two As on that helped me a lot.

Question Category: 11 **Comments**

What was your most favorite part and/or project of this class?

- CAMS
- cutting open a sheep's brain working together on our lab books and the instructor guiding through our lab book and all the lab work
- everything
- Final
- How he walked in and made the mood lighten up about tests
- I enjoyed being in lab.
- I enjoyed the lectures very much. The teacher teaches at a level that we understand and unlike another professor I have taken before, he understands that we are learning the material and know nothing of it.
- lab
- Lab was my favorite
- My favorite project was the team work project.
- n/a
- na
- None
- The discussion on cams
- The group assignment was my favorite project. It truly helped me with the course
- the lab, loved working hands on
- the teacher was so much better

What was your least favorite part and/or project of this class?

- been in labs from 8 A.M. to 5 P.M. that is a long day.
- Having to read the whole chapters for quizzes,
- Having to sit in class doing notes.
- it was a hard class and only 5 weeks to learn everything
- lecture
- Lecture, the compactness caused test being taken over subjects that time did not allow lectures to be covered.
- Lecture
- My least favorite was the gray and primary literature essay.
- My least favorite would have to be the long hours of lab. I wish that the Allen campus had labs.
- n/a
- na
- nerve system
- None
- nothing
- nothing i liked it all
- the nervous system

Question Category: 11 Comments

Do you have additional comments regarding this class and/or instructor?

- Excellent instructor. The instructor mad learning fun and kept the class interested
- He taught to the best of his ability in a short period of time
- he was a good teacher the best i've had in a while at this college
- I really only wish we had more assignments.
- In my opinion this accelerated class went so fast I dont feel I maintained the knowledge I needed. Due to the class time, not the instructor.
- na
- NO
- no the instructor was very helpful and very pace-ant with us.
- noen
- None
- Thank you for the awesome way that you taught us. I learned more from you than I did from Mrs. Morris.
- The class would have been a little easier if we knew what we needed to study for tests and quizzes.
- This class is tough but the instructor does anything he can to help.

Please share your comments about other services and/or departments on campus or about Frank Phillips College in general.

- Everyone in FPC is helpful and positive.
- FPC has been excellent in providing me with the information and help that I need inorder to achieve suces
- Frank Phillips is great. I enjoy being enrolled in this college.
- I am so thankful that I have the Frank Phillips College Allen Camps I want to thank all at the Allen camps for been there for me helping me with home work or questions I may have I love you all and keep up the good work you all are need.
- I love the SRC lab!!
- Many services have been very helpful.
- n/a
- na
- no
- None
- ok
- some teachers i feel don't care about the students
- The rooms in the lab were very hot.
- they were very helpful
- very good
